

R. E. Prescott Co., Inc.

## Water Analysis Sheet

Date Drawn

**Repco  
Water Treatment**  
**Send Sample to:**  
10 Railroad Ave  
P.O. Box 339  
Exeter, NH 03833

Phone: 603-772-4321  
Fax: 603-772-1089

**PROCEDURE FOR TAKING SAMPLE:**

Let water run from cold water tap for sufficient time to get fresh water from the well. Fill container completely. When water treatment equipment is in place, sample should be drawn before installed equipment to insure an untreated water sample.

**Note:** R. E. Prescott Co., Inc. is not equipped to test water for contamination. This must be done by a State or State approved lab. We will assume the water is not contaminated unless advised otherwise.
