R.E. Prescott Celebrates 50 Years

Public Open-House & Product Displays Scheduled for Sept. 24th

EXETER, NH: R.E. Prescott Co., Inc. (REPCO) President Perrin T. Prescott and Vice President Russell Prescott announced today that the company would hold an Open House on September 24th in celebration of the company's 50th year Anniversary and the sale of the 1000th Bubble-Up Water Radon Removal System.

REPCO is a wholesale distributor and manufacturer of pumps, water treatment systems, radon mitigation systems and Industrial Controls. They also offer professional Design and Engineering services for community, municipal and industrial water and wastewater systems.

“We are honored that for 50 years, plumbers, well drillers, pump installers, civic officials and developers have called on REPCO for the best in service and product,” said Prescott. “We have always tried to live by our philosophy of; ‘You Bought The Best’ when offering products and services.”

Civic Leaders, Media Journalists, Elected Officials, Pump Industry Tradesmen, Environmental Officials and the public have all been invited to attend the Open-House scheduled for September 24. Representatives from well known firms like; Crown Boiler, A.Y. McDonald, Red Jacket, Hydromatic, Well-Rite, Flint & Walling, American Granby and Simmons Mfg. will be on hand to display and discuss their products.

“REPCO is grateful that so many civic and industry leaders will be joining us in celebration of our 50th year,” continued Prescott. “We have a big day of celebration planned. We’ll have a large tent on site, with free t-shirts, hats, balloons, gift drawings, free certified training for installers and for those that RSVP, a free steak-tip lunch.”

The Open-House begins at 9:30am with free certified training for pump installers, followed by lunch at 12noon. Product displays and demonstrations can be viewed from 10am until 2 pm. R.E. Prescott Co., Inc. is located at 10 Railroad Avenue, Exeter. Those interested in attending the Open-House RSVP through September 20th by e-mail rsvp@represcott.com or 772-4321.
